THE TREASURER OF THE CITY OF PLAINFIELD

A SAUL WITTES

748 Pennington St. Elizabeth, N. J.

(City Court Docket Page 89) (Arrest Book Page 146

Above defendant was arrested May 20, 1933 at 9:45 A. M. by Officer. Donald Patterson, from the court room of Police Headquarters, by being cited with Contempt of Court, by being insolent and fresh and by refusing to keep quiet when ordered to do so by Judge Wm. G. De Meza and by continuing to argue with the court after being fined \$10.00 or 20 days.

The defendant appeared in court and demanded that the Judge hear his motions stating that he had been here five times and that he was going to be heard by the court. The court having posponed the case of Louis Inciso in which the defendant appeared as counsel the defendant became insolent and fresh to the court whereupon the Judge ordered him to keep quiet and not argue with the court. This the defendant refused to do and kept on demanding that the Judge listen to his motions. The Court then cited him in contempt and fined him \$10.00 or 20 days and ordered the defendant locked up until after court. The defendant still continued to argue with the court and was placed in a cell until after court. He then paid his fire under protest.

May 20, 1933, Fined \$10.00 or 20 days. Fine Paid (under protest)

A. I gave him the usual examination. I examined his heart, his pulse rate, which was 130, tested his co-ordination. He was badly unco-ordinated and he staggered and swayed.

Q. Would you say that his condition came from drink? A. Yes. The smell of abcohol was very strong on his breath.

Judge De Meza: Young man, you have heard what the Dr. daid, what have you to say about it?

Thomas Pl Egan: Nothing except that I didn't stagger.

Thomas P. Egan, the Defendant, having been duly sworn, upon his oath testified as follows:

Questioned by Judge De Meza: Q. Where had you been yesterday? A. I had been to a funeral.

Q. What had you been drinking there? A. I had some wine bor supper, but nothing after that.

Q. Did you stagger? A. No.

Q. The Dr. has said that you could not coordinate and that you staggered, is that true? A. No.

Judge De Meza:

Dr. Henn is not coming in here, he is an impartial witness, the City Physician Dr. Yood, couldn't be reached so Dr. Henn examined you, he isn't coming in here and testify that you were drunk if you were not. The Dr. and the Police Officer are not interested in framing you.

The evidence all indicates that you are guilty. It is the sentence of this Court that you pay a fine of \$200.00 and that your license be revoked for a period of two years.

Norman E. Smalley

Herman Winard, Court Stenographer, was duly sworn upon his oath to take a true and accurate transcript of the proceedings.

The Case of the Treasurer of the City of Plainfield vs Shannon called:
Mr. Karkus stated that before a plea was taken he wanted to make a motion to try all the seventeen cases together provided the first witness for the City testified in accordance with his views as to what actually happened.

Judge De Meza allowed the motion.

Mr. Karkas waived reading of the complaint

Judge De Meza: The charge against the defendant is illegal distribution of circulars.

Mr. Karkus: The defendant pleads not guilty.

Judge De Meza: Is Officer Bray in Court?

It was discovered that Officer Bray was not in court and he was sent for.

Mr. Newcorn: Can't we try a case in which the officer is here so as not to waste time?

The case of the Treasurer of the City of Plainfield vs Marian Sadler was then called.

Judge De Meza: The chargedagainst this defendant is that she did illegally distribute circulars in the City of Plainfield.

Plea: Not Guilty

Lieutenant Andrew L. Saffron, being duly sworn upon his oath, testified as follows:

- Mr. Karkus: We will admit that a permit was not obtained in these cases.

Mr. Newcorn:

Q. When she advised you she had no permit you brought her down? A. Yes.

Judge Newcorn then offered the City Ordinance in evidence. It was marked exhibit one.

Mr. Karkus: May I see the Ordinance? To save time I may say that if the defendant took the stand and testified, the testimony would be a complete coorboration of the testimony of the Officer. For that reason the Defendant also rests.

Mr. Newcorn: Just a minute. I would like to open the City's case for the purpose of establishing one fact, that is, before any circulars can be distributed in the City a permit must be obtained from the Chief of Police.

Mr. Karkus: Is that in your Ordinance?

Mr. Newcorn: It is in another Ordinance.

Mr. Karkus: May I get the exact wording of that Ordinance?

A search to find the ordinance which provided for a permit was then made.

Mr. Karkus: I believe that we can admit, your Monor, that the testimony in the other cases would be exactly like this.

Mr. Newcorn: One minute. What have you to say upon the introduction of the other ordinance in evedence? Need I use the Chief to show that it is necessary to get a permit?

Mr. Karkus: I admit that if the Chief got on the stand he would testify that under an ordinance of such and such a date it is necessary to apply to him for a permit. I would object to it on the ground that that is another ordinance and you cannot use it as part of the other.

In order to prove that before distribution of circulars can be made, application must be made to the Chief of Police for a permit, Mr. Newcorn decided to put Chief Flynn on the stand.

Chief Charles A. Flynn, being duly sworn upon his oath, testified as follows:

Objection by Mr. Karkus.

Objection Overruled by Judge De Meza. An exception granted.

A. It does.

Judge De Meza: Was there a permit granted in this case?

Mr. Newcorn: It was admitted that no permit was secured.

Cross examination by Mr. Karkus:

Q. Can you tell us what ordinance it is that regulates the distribution of circulars and requires a permit from you?

Mr. Newcorn: That is required by a ruling of the citizens through their Common Council.

Mr. Newcorn: (Showing the Chief the Ordinance book) "Is it the Peace and Good Order Ordinance?" A. Yes.

Q. Do you mean the third section of that Ordinance?

A. That is what we worked under.

Mr. Karkus:

Q. You say that under that Ordinance a person doing what these Defendants did must obtain a permit from you? A. Yes.

Mr. Karkus: That's all.

Mr. Newcorn: The City rests.

The following stipulation was agreed upon by Mr. Newcorn and Mr. Karkus:

"It is stipulated and agreed between the Counsel of the Corporation, representing the prosecutor, and the Counsel of the Defendant, that the testimony educed at the hearing of the case of the Treasurer of the City of Plainfield against Marian Sadler, shall be used as the testimony in the complaints of William J. Shannon, Julia M. Kiely, Susie Bodnar, Thurston Hillbring, Mrs. A. J. Callahan, Hattie Gradner; Ada Swarty, Elizabeth, VanderPlaat, Victor Seklemian, Dora Wadams, Harmon Smith, Louis Schaab, Elsa Riechelt, Jane Lippencott, Daniel Volkerg Peter Semansky as fully as if testimony had been taken against each of the defendants and the cases disposed of on said testimony."

Mr. Karkus: Your Honor, I move at this time to dismiss this complaint on the ground that the court hasn't jurisdiction because this case was adjourned for more than ten days and under the law a case of this kind cannot be postponed for more than ten days.

Mr. Karkus further argued that an act of the Legislature makes this court the same as that of two justices of the peace, that an adjournment could not be granted for more than thirty days.

Mr. Karkus objected to the complaint on the ground that it did not state the specific violation of the Ordinance but that it alleged that the defendant "did distribute, strew, or cause to be distributed or strewn" that that was an alternative and a man cannot be judged in the alternative.

Another point raised by Mr. Karkus was that the complaint did not say whether the violation took place in a public or private place. A Municipality of this State, he contended, has no right to regulate the distribution of circulars on private property.

The principal purpose of the Ordinance, Mr. Karkus stated, was to prevent the littering of streets with commercial advertising. The ordinance, within reasonable limits, he said was a good one. The circulars in this case were distributed, not thrown about and it could not be assumed that people receiving the circulars would be disinterested enough in the printed matter of public interest which they contained to throw them away into the streets.

Mr. Karkus asked Judge De Meza to read a decision which he had with him and which had a bearing on the case. This Judge De Meza did.

Judge De Meza: The point of the Ordinance is to find out who people are who go around from house to house. I would say that that came under the provision of police regulation. The drafters have not drawn any line of distinction between the distribution of circulars which have a commercial object and circulars which are not commercial.

Mr. Karkus further objected to the complaint on the ground that the Ordinance did not provide for the issuance of any permits for the distribution of circulars.

Judge Newcorn, in his summary, quoted Chapter 152 of the Laws of 1917 to prove that the Judge had the right to adjourn these cases for more than thirty days. He said in part, regarding the validity of the complaint, "The complaint and the phraseology of the complaint is drawn in accordance with the ordinance and the defendant is guilty of distributing circulars without a permit. We prepared the complaint in the language of the Ordinance."

Judge Newcorn further stated that the violation by distributing circulars without a permit was sufficient evidence for conviction. He said that the Ordinance provided that before there could be any distribution of printed matter in the City of Plainfield it was necessary to secure a permit. This applied to residents of the City of Plainfield and people from out of town alike. He said that this was a willful violation of the Ordinance, that these people had been warned and should have profited by their former experience, for, he said he saw some there who had been up before for the same offence. They were advised that a permit had to be obtained to distribute any tracts or circulars in Plainfield.

Judge Newcorn continued that he had no hesitancy in saying that he was perfectly willing to test the constitutionality of the Ordinance in the higher courts.

Judge De Meza, in rendering his decision said that it was not up to this Court to test the constitutionality of the Ordinance. He said that the Ordinance was passed by the City Fathers to permit the police to regulate the distribution of any kind of circulars, whether they be business

Objection sustained by Judge De Meza.

Cross examination by Mr. Tillienik:

Q. What was the name of the officer you sent there to make the purchases?

A. I have him here in Court.

Q. Where is Mr. Rotondo's house located?

A. 1341 George St.

Q. You were there when the man went in to purchase the beer?

A. Yes.

- Q. How long were you there?
- A. Until he came out.

Mr. Newcorn: I understand that there are two complaints, one charging violation of the State and local resolution under which the license was granted by selling in quantities of less than six bottles and the other for maintaining a disorderly house by selling liquor. If there is no objection we are trying both together under the same evidence.

Mr. Tillienik: There is no objection.

Everett Jackson, being duly sworn upon his oath, testified as follows:

Questioned by Mr. Newcorn.

Q. On July 24th were you requested by Officer Saffron to visit the place of Mr. Rotondo?

A. I was.

- Q. In compliance with his request what did you do?
- A. I went there on the 24th day of July at 7:30 in the morning and bought two bottles of beer.

Q. Did you ever see him handle any other kind?

A. No.

Q. Did you ever try to purchase liquor from him?

A. No.

Q. Did you ever know of anyone purchasing liquor from him?

A. No sir. I would be the first one to make a complaint.

Judge De Meza: I think we know enough about this man's character. I will take his good reputation into consideration when making my decision. The question at issue is did he or did he not sell the beer and liquor.

Mr. Newcorn:

I do not know Mr. Rotondo personally but I have heard a number of the members of the governing body of the City speak highly of the man. Somebody in this case must be committing purjury. I ask the Court to reserve decision until we can check up on the testimony.

Judge De Meza: There is a big question in my mind. I will say that people who know him speak of him in the highest of terms. A man can have a good reputation and still be of an accomadating nature and be imposed upon by someone coming and asking for two bottles of beer. I am going to take the recommendation of the Corporation Counsel and postpone the case for one week.

July 23, 1933:

Mr. Newcorn: In this matter I would say that at the close of the proceedings last week I was impressed by the apparent sincerity of the Defendant and

- Q. Will you turn to an item of September 9th concerning Frank Rotondo?

 Objection by Mr. Tillienik.

Objection overruled by Judge De Meza. An exception granted.

Q. Look at the book on the date of September 9th.

Objection by Mr. Tillienik.

Mr. Newcorn: Of course, your Honor, September 9th is subsequent to the date of this complaint but we are only trying to attack the veracity of the Defendant and show that he has handled other beer than Ruppert's.

Objection overruled. An exception granted.

Mr. Newcorn: Turn to your item of September 9th and September 11th.

- Q. Does Rotondo's name appear there?

Frank Rotondo, being duly sworn upon his oath, testified as follows:

Questioned by Mr. Tillienik:

- Q. You remember when you were on the stand the last time you testified that you never handled any other kind of beer but Ruppert's?

 A. Yes.
- Q. When you were on the stand last Saturday you were worked up and excited?

 A. Yes. I forgot that I had some beer from Cauley's. The beer that was delivered from them I never kept in stock.

250 7/1/33 The State of Mew Jersey Q. What was the purpose of your purchasing this beer? Objection by Mr. Newcorn. Objection sustained by Judge De Meza. Q. Did you ever have Krueger's beer in your house? A. Never. Q. Where was this beer delivered? A. At the house. Q. What did you do with it when you got it? A. I delivered it. Q. Can you name the people who bought the beer? Q. You never sold any in less than quantities of a case? A. No. Mr. Tillienik: If the Court will grant me the privilege that was granted to the Prosecutor, I would like to call back Lieutenant Saffron and Jack-Judge De Meza: We gave him every chance in the world. I think we have heard all the testimony. Mr. Tillienik, summing up: Lieutenant Saffron claimed that he accompanied the other witness, Everett Jackson, to the residence of the Defendant. He said he searched Mr. Jackson and Mr. Jackson had nothing on his person and when he came out he had two bottles of beer. When he came out with the beer he gave Mr. Jackson gets on the stand and says that he went to the house alone and when he had obtained the beer, went to the Police Station and gave it to Lieutenant Saffron. His whole testimony was a pack of lies! Everything he said was a lie. Mr. Newcorn, summing up: I think in this case something should be said upon the matter by the Counsel for the City. At the close of the testimony last week I was satisfied that somebody had committed purjury and that some example should be made of the purjurer. I had no doubt that Lieutenant Saffron was telling the truth but I thought that the paid witness might be putting one over on the Lieutenant. In view of the testimony this morning I have no such feeling. In view of the bare statement of the Defendant that he never handled Krueger's beer I call your honor's attention to the fact that on the 1st day of July he bought ten cases of Krueger's beer. While the testimony of Mr. Kaplan isn't relevant as far as this charge is concerned, it is relevant as far as the veracity of the Defendant is concerned. It shows that he did buy Feiganspan's beer. Your Honor would be justified in not only finding this man guilty as charged, but in holding him for the Grand Jury for purjury. Judge De Meza, after reviewing the evidence in the case, found the Defendant guilty of both charges and fined him \$10.00 for violating the beer resolution and \$25.00 for selling liquor.

000 Q. Did you know the Defendant, George Dear? A. I never saw him before Q. Did he approach you and hand you a newspaper? A. Not on the corner. We walked over to the car with him and he handed it to us. We paid him three cents for it. on Cross examination by Mr. Wittes: Q. When you first saw Mr. Dear what was he talking about? A. He was talking about working people. Q. You paid three cents for the "Daily Worker"? A. Yes. Q. Of your own free will? A. Yes. Q. You were not forced to take it? A. No. Q. Did you hear the conversation between the officer and the defendant? A. No they went away. Q. How many were handed out? A. We each had three copies. About six were handed out. Q. Were any in the streets? A. No. Judge De Meza, resuming direct examination: Q. Were you there when the officer asked him if he had a permit? Judge De Meza: The City rests. arge A motion for the dismissal of the complaint was again made at this time by Mr. Wittes who quoted a number of decisions and precedents in similar cases and who also quoted from the Home Rule Act to show that municipalities were restricted in their rights to legislate and regulate and that the distribution of matter of this kind did not come within their powers to regulate. He also based his motion on the fact that this was not a commercial circular which had been distributed, but was a newspaper bought and paid for. Mr. Wittes also quoted from the Ordinance itself in an attempt to show that no actual violation had been committed. The motion for dismissal was denied by Judge De Meza who stated that if the Ordinance was unconstitutional, that was a matter for the higher courts to decide. An exception was granted. Judge De Meza: Do you want to swear the Defendant? Mr. Wittes: The Defendant admits handing these papers out. George Dear, being duly sworn upon his oath, testified as follows: Judge De Meza: 2 ld se Q. Did you have a permit? A. No sir. Questioned by Mr. Wittes: Q. You admit handing this "Daily Worker" out? Q. Will you tell the court what this paper is?

on Fina

Judge De Meza: I will not allow that question. This Court is not interested in what the paper contained.

Mr. Wittes: I do not wish to argue with the court, but the complaint alleges the distribution of circulars and I wish to show by the contents that this was not a circular.

Judge De Meza: You will find that the court will not argue with you. I will not allow the question. An exception granted.

- Q. Did you hand out any papers other than this?
- Q. Did you force them on anybody?
- A. Absolutely not.
- A. Yes.

Q. Are they recognized by the United States Government?

Q. Are these papers mailed to Plainfield?

Judge De Meza: Do not answer that question. I will not allow it.

At this time the motion to dismiss was renewed by Mr. Wittes and the defence rested.

Judge De Meza: The Motion to dismiss is denied. I adjudge the defendant guilty. He had no permit and the Ordinance requires a permit. The Court sentences you to pay a fine of \$20.00.

Mr. Wittes: I wish to file notice of appeal.

Judge De Meza: Very well, file it with the Clerk.

The person who posted a cash bond in behalf of the defendant has called at my office to inquire whether or not an order could be entered releasing the cash. I, therefore, write to you to inquire as to whether or not you would be willing to consent to the entry of an order permitting the Clerk of Union County to deliver up the sum of \$50. posted as ap-Loge peal bond in this matter. TRANSCRIPT OF PROCEEDINGS

Taken by Smalley

Plea: Not Guilty.

Miss Dorothy Hannigan, a witness for the prosecution, being duly sworn upon her oath, testified as follows:

Questioned by Mr. Newcorn.

Q. Miss Hannigan, what is your position with the Emergency Relief?

A. I am an investigator.

Q. Did you make an investigation, or receive an application from John Diodato for emergency relief?

A. I made an investigation on October 31, 1932.

Q. Did you obtain any information?

A. I did.

Q. What did you do with it?
A. I put it on a record sheet.

Q. Is that the sheet upon which you put the information? A. Yes.

Q. Did you accompany that with a report? A. I did.

Q. Is this the report?

A. Yes sir.

Mr. Newcorn offers the record sheet and the report in evidence.

Mr. Lyness:

I have no objections to the sheet but I do object to the report being introduced in evidence.

After some discussion Mr. Lyness changed his objection to cover both documents.

Objection overruled by Judge De Meza. An exception granted.

Q. Who gave you that information? A. John and his mother both.

Q. After that what did you do?
A. I began inquiring about the children sometime in June.
In August I thought it was very strange that they were never home. I reported to Mr. Drake and he decided to have them brought to the office.

Q. At no time were you able to see the brother or sister as stated?

A. No. I was always told that they were in school.

Miss Doris Anderson, a witness for the prosecution, being duly sworn upon her oath, testified as follows:

Q. Miss anderson, you are connected with the Emergency Relief?
A. Yes.

Q. Did you have any occassion to go to the home of John Diadato?
A. Yes.

Q. When? A. August 11, 1933.

23

Q. What for?
A. I went there ostensibly to invite the children to a picnic. I was told by Mr. Diadato that they were seldom home. He said it was difficult to see them because they went out very early and came home very late.

Q. Did you, as a result, make any investigation by inquiring in the neighborhood?
A. I just went to his home.

Judge De Meza:

Q. Did your further investigation show that there were children?
A. I never could see the children.

Mrs. Flynn recalled to the stand.

Questioned by Mr. Newcorn:

Q. Did you make inquiry in the neighborhood?

Q. As a result what was your conclusion?

Objection by Mr. Lyness on the ground that the question called for a conclusion.

Mr. Newcorn:

I will state the question in a different manner.

Q. What was your finding?
A. I found that there were only two people in the family,
John Diadato and his mother.

Q. There were no children?

Q. Is the voucher signed by the defendant? A. This is John Diadato's signature.

Q. Does this indicate that he has obtained relief for four in the family? A. Our records would show that.

Q. This receipt does not show that he received relief for four persons? A. No.

Q. Since he has received this relief has he not worked out the full amount? A. The greater part of it as nearly as I can recall.

Q. How much is still due the City?

At this point the Defendant insisted upon being placed on the stand in spite of the firm advice of his Counsel to the contrary.

John Diadato, the defendant, being duly sworn upon his oath, testified as follows:

Questioned by Mr. Lyness:

Q. There is complaint made by the Emergency Ralief Association againse you and it alleges that you have obtained relief, claiming there were four in the family, whereas there were only two. Will you tell his Honor just what happened? A. I started to work for the Emergency Relief as an interpreter in the office. I worked on a salary. When I registered there I put my only dependants my mother

Q. When was that? A. That was on October 21, 1931. Mrs. Bartine took my statement. That's when I got my registration card.

Q. I show you a registration card and ask you if this is the one you received from the Emergency Relief? A. At that time we didn't have those cards. I got that about a month later.

Q. What date? A. About November 21, 1931

Mr. Lyness offered the card in evidence.

John Diadato continues story:

When I registered they didn't have any Italian interpreter. As I understand it now my father thought that they wanted you to name all children they had ever had. He put down the children that died in Italy.

Cross examination by Mr. Newcorn:

Q. Did you tell Mrs. Flynn and Miss Anderson that the children were out? A. Yes, I told her that. I did it for my mother. I'm the
